The Student Co-operative Association is the basis of student government at Powell Valley. Every student is a member of this organization and has the opportunity to choose their Student Council in elections held each spring. The Council consists of two representatives from each class and five offieers elected by the entire student body.

The Student Council has sponsored several projects this year which have been aimed toward the benefit of the student body. Field Day gave the students an opportunity to participate in organized recreation. We sponsored several dances held after football and basketball games, Homecoming, and a money-raising drive for the Heart Fund.

We sent representatives to the SCA District Conference held with Pound High School, which greatly benefitted both councils by giving each an opportunity to observe the functions of another school.

To Mrs. Gembach, our sponsor, to Mr. Horton, our principal, and to all other people who have given us help and co-operation, we extend our deepest appreciation.

We are proud of our organization and we hope that it will continue to function as a true student co-operative association.

In addition to the two annual performances given by the Glee Club each year, the Christmas concert and the Easter pageant, the 1970-71 Viking Glee Club added a new dimension to their schedule. For the benefit of the visiting evaluating committee, the Glee Club joined with the band in presenting "The Sound of Powell Valley," a kaleidoscope of the sights and sounds that are the very essence of our high school.

At Christmas, we were treated to a party given by the Trigiani's after caroling around town. The annual picnic and singing for class sermon ended our year's activities. The effort put forth by all the members of the club and our hard working director, Mr. Gibbs, contributed to the success of the '70-'71 Glee Club.

Every year Powell Valley receives the "treat" of witnessing a spectacle of ravishing beauty when the members of the Key Club present their Miss Polecat Valley contest. The decision is always a difficult one, as so many of the "young ladies" are not only very beautiful, but also extremely talented. Mike Witt emerged the winner of this year's pageant and will reign until a new Miss Polecat Valley is chosen.

In addition to having a great time, the Key Club conducts many worthwhile projects, such as parking cars at events, being of service to their school and community in a number of ways, and sponsoring the Sweetheart Dance in February.

Appreciation must be expressed to Mr. Jerry Clark, whose valuable help and advice have made this year a great success for the club.

The twenty-two members of the twelfth Library Club of Powell Valley have worked to promote a greater understanding of the library and to encourage the students to make better use of it. Our motto is: "We never guess; we look it up."

This year the club members were upper classmen. Each member was encouraged to maintain a high scholastic average. Our regular meetings were scheduled the first Wednesday of each month.

In addition to routine library activities, the club presented a skit entitled, "Go-Go-Go Productions." We visited Clinch Valley College Library and Wise County Public Library. A county book exhibit was held in the school library in March.

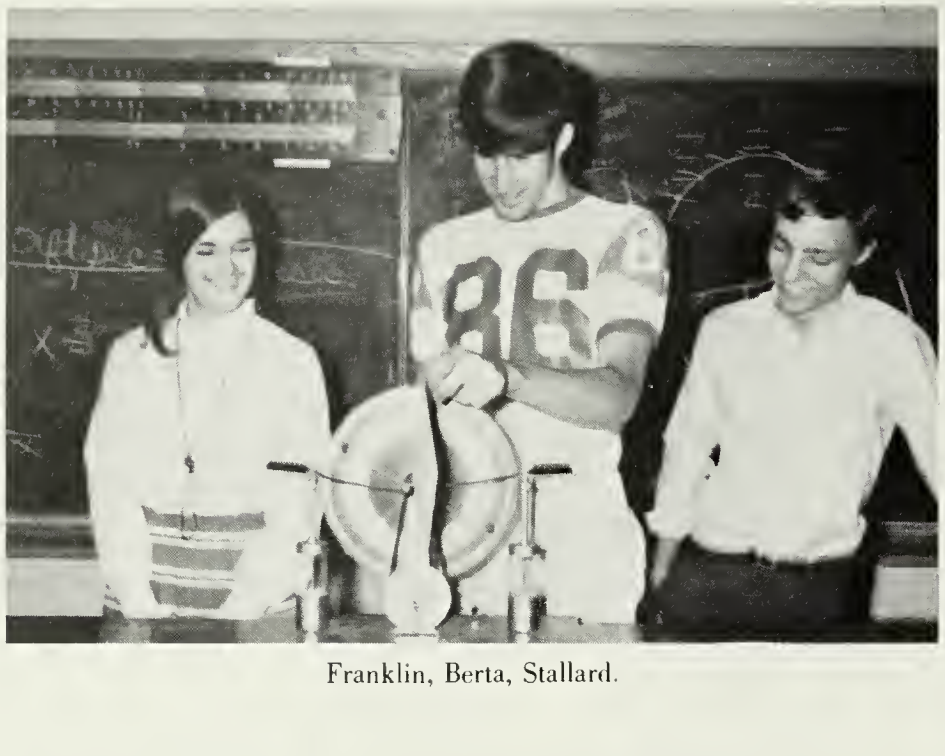

We wish to extend our appreciation to our librarian, Miss Scott, for her patience in training each of us to help our fellow students in using the library. She is now serving as the President of the Department of School Librarians of the Virginia Education Association.

The Roman Club of 1970-71 constitutes those students who are in the process of studying Latin. With a full class, the club has enjoyed "Slave Day" and the customary "Roman Club Banquet." The "Masters" ruled the "Slaves" in unusual style at the banquet which provided entertainment for the entire club. On "Slave Day," first year students were subject to the wishes and commands of the honorary Roman Club members.

No one should miss the rewards of studying Latin. It is a most enlightening subject by learning of the language which is so much a part of our own. Through the efforts of Mrs. Rose, our sponsor and teacher, the club has been an outstanding success.

This year the Art Club, under the direction of Mrs. Julia Jarrett, has tried to create in the members the appreciation of art and design by the various projects we have undertaken, such as our construction of a Nativity scene displayed on the roof throughout the Christmas season and our participation in the Keep Virginia Clean Poster Contest.

Doors are ever open to those with the desire to create. For this glimpse at the world of art, the members of the Art Club give Mrs. Jarrett all the credit.

This emblem can only be attained by earning it in interscholastic sport participation or by serving as team managers or cheerleaders.

THE VIKING BAND WINS AGAIN AND AGAIN AND . . .

Director .....MR. DAVID TIPTON
Band Captain .....MICHAEL SANDERS

If an organization is to be successful, it must have a common goal. Its members must be united, striving to achieve excellence through this unity. The 1970-71 Powell Valley Viking Band achieved its goal this year — to be one of the finest bands in Southwest Virginia. We achieved our goal with hours of drill, "first position!", rehearsals, "horns up!", sore feet, "Mr. Tipton, when are you going to give us a break?", tears of frustration and joy, and an unusually excessive amount of fun, laughter, and love.

In August, we began our preparations for the Southwestern Band Festival in Bristol. We were pleased with our performance at the Chilhowie Apple Festival, and a week later, all our months of hard work paid off. The band received three Division I ratings: the band made a Division I, the majorettes walked away with first place in their division, and drum major, Donna Giles, received a I rating.

After marching season ended with its halftime shows and competitions, the Viking Band joined with the rest of the school to prepare for the coming evaluation. We joined the Glee Club on November 11 to present a program entitled "The Sounds of Powell Valley," a kaleidoscope of the sights and sounds that are the very essence of our high school.

The Holiday Season approached, and the Band and Glee Club presented the annual Christmas program. We also participated in the Christmas parade in Big Stone Gap.

Seven of our members participated in the All-Region Band in Galax, Virginia, and a greater number participated in the All-County Band in Norton. Both of these events were very educational and benefitted our musicians greatly.

The Viking Band combined with the Glee Club for the third time to present an Easter program, which was enthusiastically received by both elementary schools and the high school student body.

Our Spring Concert was presented on May 15. After that successful performance, the band began practicing music for the coming year. But we also practiced "Pomp and Circumstance" and the traditional "Days of Glory." Our eight senior band members gave their final performance at the graduation exercises on June 4.

We members of the Viking Band of 1970-71 look forward to keeping our reputation as one of the finest in Southwest Virginia. But we reflect on this past year with a great sense of pride, for we feel we truly achieved our common goal.

good times and sad times,
success and failure, but
we know we can never be beaten, for we

Ready to cheer the team on to victory at Homecoming.

Who will be Miss Polecat Valley?

What do you mean, "Do you need help?"

Victory for the Vikings!

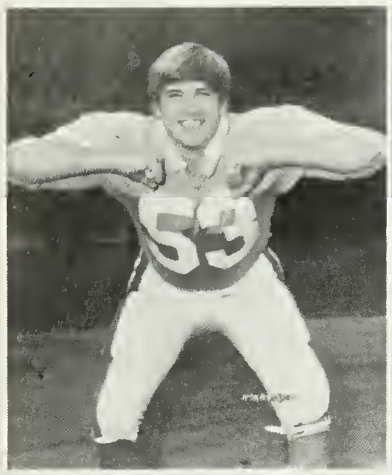

And you're really a princess who turned into a frog?

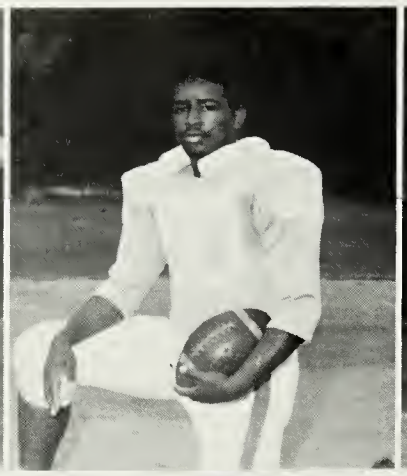

Football season; sore muscles for players, sore throats for fans. "I'll bring the blanket; you bring the hot chocolate." The smell of fall, the flash of the band marching onto the field. "What's our slogan?" . . . The crash of helmets as players meet players. Straining, striving, fighting, driving. The whistle blows . . . Touchdown!!! Basketball . . . another dream. Practice to performance . . . players to champions. The stuffy feeling of a gym full of enthusiastic spectators; "Give me a V!" The buzzer sounds, the game ends, in victory or defeat; hollow footsteps, echoes that are now memories forever, tears and tape, write-ups and work-outs. "To Vikings bold we give our love . . ." IT WAS A VERY GOOD YEAR!!!

This has proven to be a successful football season for the Powell Valley Vikings. Possessing championship material and encouraged by a spirit that refused to wane, the team managed a 6-5 record.

The climax came at the close of the season when we met the Appy Bulldogs on the gridiron. This win made the losses the team had suffered more bearable and the victories, more memorable.

Unlimited praise must be given to Head Coach Cecil Maddux and Assistants Ed Neff and Dickie Cornett for their efforts which contributed to the making of this fine team.

VARSITY BASKETBALL

COACH: Burrall Paye
ASSISTANT COACH: Eddie Neff

GO BIG RED MACHINE!!!

See Don jump. See Don shoot. See Don.

Under the patient and capable coaching of Burrall Paye, the Powell Valley Vikings finished the season with a 16-7 record. This, however, does not in itself reflect the formidable strength our team possessed, for five of the seven defeats were lost by a total of only nine points.

Perhaps appropriately, the team reached their peak of performance in the early stages of the Wise County Tournament. On the first night of competition, despite the Vikings' cold night, Norton suffered a decisive loss. The following night the Vikings rolled over the Wise Indians, and impatiently awaited the game with Appalachia. The Bulldogs were no match for the superb Vikings, and thus with this victory was clutched the Wise County Tournament trophy. The following week, the Vikings met Coeburn in their first game of the LPD Tournament. The Blue Knights fell hard as the Vikings dealt them a 107-67 loss and set a record for most points scored by a Powell Valley team. Next they met Appalachia, but plagued with injuries, failed to stop the Bulldogs who edged us 53-50.

Several awards and honors were merited and received by individual players of the team. James Blondell was presented an award commemorating his good sportsmanship in the Wise County Tournament. Bill Berta, Donald Hennsey, and Tony Squire were honored as members of the All-Wise County Team. Billy Joe and Donald gained further recognition as they were named members of the All-LPD Team. Billy also received honors as the Most Valuable Player of the Wise County Tournament, Player of the Year in the Lonesome Pine District, and a member of the All-Southwest Virginia Team.

Although the team loses two seniors, next season looks promising because the Junior Varsity seems to possess as much championship material as the Varsity. the JV posted a record of 18-1, better than any previous JV of Powell Valley.

I came to you silent, shy, and full of hope to learn. You taught me to give of myself, to become a part of something that would mold me into what I would one day become.

Our time together has come to its end, and now we must part. Though you will not be with me, your memory will always be present in my mind and more so in my heart. Many have passed this way before me, and all have loved you in their own special ways. But of them all, none could love you as devotedly or unselfishly as I do and always will.

I am what you have made me. I wish there were some way to make you understand how I feel, but it is something much too deep for words, a pure noble feeling that is beyond expression. The greatest tribute I can pay you is to be the best person I can, for you who gave of your best to me.

So now I will say goodbye. There may be others in my place, but I know that what we have shared will remain, for there are some things that never die.

"The pure, the bright, the beautiful
That stirs our hearts in youth,
The impulses to wordless prayer,
The streams of love and truth,
The longing after something lost,
The spirit's yearning cry,
The striving after better hopes . . .
These things can never die."
